

Your Partner For Success

**NEED A WEB-SITE! HAVE A NEW BUSINESS
IDEA AND NEED TO SHARE YOUR IDEA ONLINE,
BUT DON'T KNOW WHO TO CALL?**

DurhamTechs.com has over 20 years of experience in HTML, multi-media, and graphics. No project is out of reach.

**“A 5 page web-site can cost as little as \$210
(without hosting).”**

Your web-site is held in a secret location until you are ready to show the world. Only pay when you're happy with what you see. There is no downside to hiring DurhamTechs.com to develop your web-site. Many developers charge an hourly fee for their work with the average time spent on a page of 1 1/2 hours. We charge piece work, it easy to figure out your budget. Please compare our prices, you will not find a cheaper web developer.

Web-pages: \$42.00 each (web forms are also counted as a page)

An email script is \$95.00 each (I.E. used for email forms)

Custom graphics are \$95.00 each. (I.E. logo's, and print ads)

Flash animation if needed \$125.00 for a simple animation.

20 photo's links included, and \$0.25 cents for each additional photo.

A CMS is included, this is to allow you to change the text of your web-site so that you do not have to hire a web designer for every little change.

Web hosting: \$60.00 per year. (Pre-paid discount)

Domain registration: \$20.00 per year.

Web Maintenance, making changes to a web-site in the future, is currently \$42 per hour.
